Profile

Passionate and skilled software developer with experience in developing and maintaining complex Ecommerce, MLM, CRM, and LMS websites. Seeking a challenging position as a Django developer in a high-profile company to leverage my extensive knowledge of Django, Go-lang, Node.js, Docker, API, jQuery, and JS for the growth and success of the organization. With a strong work ethic, creative problem-solving skills, and a commitment to excellence, I am poised to make significant contributions to the company's development and expansion.
